ACKNOWLEDGEMENT

In the name of Allah, the most beneficent and merciful, who showed me the path to complete this study.

It is a pleasure to express my gratitude to my well wishers, friends and institutions from whom I have received valuable help in the preparation of this study. I am, indeed, very short of adequate and appropriate words to extend my deep indebtedness to my learned teacher Prof. Nafees Baig, D.Litt. (Alig.), Chairman, Department of Commerce and Dean, Faculty of Commerce without whose constant encouragement, a keen personal interest, seasoned guidance and painstaking efforts this work would not have been completed. Inspite of his administrative and academic engagements and pre-occupations, he was kind enough to extend me all possible help, enlighten me with a vast and varied experience in the subject and gave me the liberty to encroach upon his precious time.

With equal sincere gratitude, I also can not but feel very grateful to my Principal, Mr. Salman Hashmi, Zakir Husain College, University of Delhi, Delhi, who has been a continuous source of inspiration and encouragement to me.
I am deeply indebted to Prof. A.F. Khan, Department of Commerce who evinced personal interest in my work and sought to resolve my difficulties from time to time. I am equally thankful to all my esteemed teachers in the Department for their constructive and timely suggestions. Especial mention in this connection may be made of Prof. Ishrat H. Farooqui, Prof. Habib ur Rehman, Dr. Masood Ali Mirza, Dr. Asif Ali Khan, Mr. Qamaruddin Khan, Dr. Ali Safdar Husain, Dr. Naimuddin Siddiqui and Dr. Badar A. Iqbal.

Naqi, Dr. Allah Mehar, Dr. Khalid M. Alvi and Mr. M.M. Rehman of Zakir Husain College, University of Delhi, Delhi, and Dr. M. Talha, Dr. M. Mohsin Khan, Dr. Asif Ali Khan Dr. M. Haseeb Khan, Dr. M. Sajid, Mr. Mehmood Alam, Mr. Zechariah Ansari of the Department of Commerce, Aligarh Muslim University, Aligarh.

I am much grateful to the executive and non-executive staff, workers and trade union leaders of the Elgin Mills Company Ltd. and Modi Spinning and Weaving Mills Company Ltd. who helped me unreservedly in the collection of necessary data.
I am also indebted to the officials and Librarians of the Ministry of Labour, Textile and Planning, Shri Ram Centre of Industrial Relations for extending to me the necessary help and cooperation in collecting the desired information. I must also thank M/s Shahzad Ali, Shamshad Khan, S. Rashid, Ali Hasan, for their assistance in innumerable ways.

I shall be failing in my duty, if I do not place on records my sincere feelings of gratefulness to my parents and parent-in-laws for their constant encouragement and blessings which have been a source of inspiration to me in pursuing my academic activities.

I would not like to under-rate the affection and assistance of Ms. Sana Nawab and Zeeshan Nawab who have suffered in silence the pangs of my work-addition, involving arduous long seating, at their emotional cost, and who had to deprive of my love and attention. Without their active and competent assistance, the completion of the work would not have been possible.

In the end, I wish also to thank Akhlaque for typing this thesis neatly at a very short notice.
