List of Tables

Table I Magnitude of distribution of random errors in the determination of cysteine 46
Table II Magnitude of distribution of random errors in the determination of hydrazine sulphate 64
Table III Determination of hydrazine sulphate in presence of foreign substances 65
Table IV Magnitude of distribution of random errors in the determination of hydrazine hydrate 79
Table V Confirmatory with Beer's law 91
Table VI Magnitude of distribution of random errors in the determination of aniline 95
Table VII Confirmatory with Beer's law 106
Table VIII Magnitude of distribution of random errors in the determination of aniline 109
