ACKNOWLEDGEMENT

It is a great pleasure for me to express my humble gratefulness to my mentor, Dr. Satyavan Sharma, Scientist, Medicinal Chemistry Division, Central Drug Research Institute, Lucknow, for suggesting the problems, skilful guidance, continued inspiration and untiring help during the course of present studies.

I am highly grateful to Dr. M. Ilyas, Reader, Department of Chemistry, A.M.U. Aligarh, for his keen interest and invaluable help.

My sincere thanks are also due to Dr. R. N. Iyer, Emeritus Scientist, Medicinal Chemistry Division, CDRI, Lucknow for his many helpful discussions.

I am indeed indebted to Dr. Nitya Anand, FNA, Director and Dr. S. P. Popli, Scientist Incharge, Medicinal Chemistry Division, CDRI, for providing laboratory facilities, to Dr. A. B. Sen and his associates for providing biological screening results, to the staff of RSIC for providing spectroscopic and analytical data and to the Council of Scientific and Industrial Research, New Delhi for the award of Fellowship.

My delightful thanks are due to all my colleagues in Medicinal Chemistry Division, especially Drs. E. S. Charles,

Finally, I wish to extend my grateful thanks to my brother Syed Akhtar, for his inspiration and constant encouragement.

June 1982. (Syed Abuzar)
