ACKNOWLEDGEMENTS

I am deeply indebted to My Research Supervisors Dr. K.N. Reddy, Associate professor, Department of Anthropology, S.V.University and Dr.G.Subramanyam, Professor and Head, Department of Cardiology and Director, Sri Venkateswara Institute of Medical Sciences, Tirupati for their inspiring and able guidance from the conception to completion of the thesis.

I am thankful to elderly people of Chittoor District, Andhra Pradesh who formed the materials for the present study.

I wish to thank For. mer as well present Heads of Anthropology Department, Prof. Jacob S. Jayaraj, Prof. P. Chengal Reddy and Prof.A.Papa Rao, respectively, for their possible help in providing all facilities in carrying out my research work.

I express my sincere thanks to Dr. S.R. Gupta, Dr. G. Sadasivaiah, Dr.B.Sreedevi, Dr. G.Satyanaraya, Dr. S.Yasoda Bhai, Mrs. Agnes, Mrs.Rani Mrs. Jayakumari, Mrs. Sarojini, Mrs. Sujan, Mrs. Munirajamma, Mr.A.Venkataramana, Mr. Mastan and Mr. Satyanarayana, Staff of Cardiology Department, S.V.R.R., G.G. Hospital for their moral support and encouragement in carrying out the research work.

I have pleasure to keep on record here my deep sense of gratitude to Dr.V.Jayaram, Dr.V.Subhadra Devi, Department of Anatomy, S.V. Medical College, Tirupati for their moral support and possible help.
I wish to thank Dr. P. Ramana, Research Associate, Department of Anthropology, S.V. University, Tirupati for his help in analysing the data.

I express my sincere thanks to the Registrar, S.V. University for awarding me the endowment scholarship to carry out the research work.

I am deeply beholden to my parents and brothers who have been source of inspiration and encouragement throughout my work. Last but not least, my deep sense of submission to the God, the greatest scientist, who is the source of all inspiration and provider of life in all adversities, in my research work without whose help this thesis could not have taken present form. Hence, dedicating this work to Him.

(S.A. Abdul Latifeh)
