</table>
3.9 Plan-wise progress in Transmission and Distribution
3.10 Plan-wise progress in rural electrification
3.11 Households without electricity (%) Basing 1991 census
3.12 Progress in rural electrification in Andhra Pradesh
3.13 Hydro Thermal mix and energy purchase in AP (in MU)
3.15 Achievements of APSEB
3.16 Plan-wise progress in transmission and distribution
3.17 Future projections in installed capacity and power generation up to X plan
4.1 Transmission and distribution progress under plan periods in Andhra Pradesh
4.2 Pattern of transmission and distribution in Andhra Pradesh
4.3 Power transformers at substations on 31-03-2003
4.4 Percentage of transformation, transmission and distribution losses in SEBs (in %)
4.5 Transmission system of APSEB
4.6 Transmission and distribution system in Chittoor District (Tirupati circle) of Andhra Pradesh as on 31-03-1999
4.7 Energy Balance sheet 1998-99
4.8 AP TRANSCO Energy balance sheet for the year 2000-2001
5.1 Power generation and revenue position in Andhra Pradesh
5.2 Financial performance of APSEB
5.3 Category-wise sales and revenue
5.4 Average unit cost of power supply - comparison between India and Andhra Pradesh
5.5 Sales revenue as a ratio of cost (%)
5.6 Commercial profit / loss (with subsidy)
5.7 Subsidy for Agricultural sales after introduction of 50 paise / Kwh (Rs. Crores)
5.8 Subsidy for domestic consumers (Rs. Crores)
5.9 Revenue and expenditure
5.10 Theft of energy and detection 1990-98
5.11 Financing mix of APSEB (Rs. In Lakhs)
5.12 Investments on different assets (Rs. In Lakhs)
5.13 Financial ratios of APSEB
5.14 Ratios of Debtors and inventories
5.15 Turnover ratios of APSEB
5.16 Funds flow statement of APSEB
6.1 Division-wise distribution of respondents
6.2 Age-wise distribution of respondents
6.3 Land holdings, crop and power consumption particulars of Agriculture respondents
6.4 Annual power consumptions of Agriculture respondents
6.5 Source of irrigation of respondents consumers
6.6 Crops of respondent Agriculturists
6.7 Income level of respondent Agriculturists
6.8 Details of motors installed
6.9 Numbers of illegal connections
6.10 Respondent's opinion about unauthorised power connections
6.11 Management of illegal connections
6.12 Opinion about the promptness of department staff
6.13 Utilisation of power supply
6.14 Factors affecting power utilisation
6.15 Opinion about the extent of power cuts
6.16 Opinion about the loss of products owing to power cuts
6.17 Reasons for power cuts
6.18 Industry-wise distribution of respondents
6.19 Turnover of respondents of industries
6.20 Installed capacity utilized by respondents
6.21 Reasons for not utilizing the total installed capacity
6.22 Opinion about power supply
6.23 Opinion about the extent of power cuts
6.24 Opinion about power shortage
6.25 Estimated loss due to power shortage
6.26 Regularity in payment of bills
6.27 Opinion about the promptness of departmental staff
6.28 Type of business-wise respondents  
6.29 Turnover of business units  
6.30 Power consumption of respondent units  
6.31 Opinion about power supply  
6.32 Opinion about power shortage  
6.33 Estimated loss due to power shortage  
6.34 Regularity in payment of bills  
6.35 Distribution of respondents basing on power consumption  
6.36 Value of the house of respondents  
6.37 Lights and electrical appliances owned by the respondents  
6.38 Opinion about power supply  
6.39 Power fluctuation faced by the respondents  
6.40 Amount of damage caused due to fluctuations  
6.41 Opinion of respondents about power shortage  
6.42 Regularity in payment of bills  
6.43 Awareness about the unauthorised power connections  
6.44 Management of illegal connections  
6.45 Reporting habit of the respondents about power to the officials  
6.46 Opinions about the responses of the officials  
6.47 Opinion about the services of APSEB employees  
6.48 Opinion about the overall performance of APSEB  
6.49 Do you think that the board is functioning on sound guidelines  
6.50 Do you prefer the involvement of private sector in the operations of APSEB  
6.51 Opinion about the Government policy for privatisation of the Board  
6.52 Opinion about the overall functioning of APSEB
