ACKNOWLEDGEMENTS

The author expresses his sincere gratitude to Prof M Ajmal, Prof K M Shamsuddin, Prof K G Vaishney, Prof H S Rathore former Chairmen and Prof S U Khan present Chairman of the Department of Applied Chemistry for their cooperation and for providing necessary research facilities during the course of this study.

The author wishes to thank Director, Central Electrochemical Research Institute for allowing him work as INSA visiting scientist. Author is also thankful to his colleagues Dr Ah Mohammad, Dr R A K Rao, Dr Asif Ali, Dr M Z A Rafeequi and Dr Faiz Mohammad for their full cooperation. He will be failing in his duties if he overlooks the hard work put up by his excellence research team during the last ten years.

The author also thank Dr S P Shivprasad, National Physical Lab, New Delhi for AES and Dr R N Singh, Banaras Hindu University, Varansi for EIS studies.

Finally the author is highly indebted to his family members who always encourage and give full moral support to him in his academic pursuit. His wife and children deserve special appreciation for the sacrifice for their emotional sentiments as the author could not have shared many pleasant moments with them because of his awfully busy and abnormal work schedules.
