ACKNOWLEDGEMENTS

It is the best opportunity to express my profound sense of gratitude, indebtedness and sincere thanks to honourable Professor M. Wajid Khan, Chairman, Department of Botany, Aligarh Muslim University, Aligarh for suggesting the problem, valuable suggestions, empirical approach, fervent guidance, keen interest and encouragement and his inexhaustible source of inspiration for this study and during the preparation of this manuscript. Indeed, it is a proud privilege for me to learn from him as a research supervisor and I will never forget him in every corner of my life.

A grateful appreciation is extended to Prof. Saleemuddin, Director, Institute of Agriculture, Professor Shamim Jairajpuri, Former Director, Institute of Agriculture, Dean, Faculty of Life Sciences and Prof. M. Wajid Khan, Chairman, Department of Botany, A.M.U., Aligarh for providing necessary library and laboratory facilities.

I also express my indebtedness to Dr. Abrar Ahmad Khan, my senior lab colleague and Lecturer, Department of Botany, A.M.U., Aligarh, for his moral and material support, enduring interest and encouragement which were always available to me whenever I needed it most.

I offer my genuinely owing gratitude to Dr. Mujeebur Rahman Khan, my senior lab colleague and Lecturer, Institute of Agriculture, A.M.U., Aligarh for his assistance, inspiration, encouragement and for going through the manuscript critically.

My sincere thanks are also due to Prof. Ziauddin Ahmad Siddiqui, Prof. A.K. Jafri, Dr. Waseem Ahmad, Dr. Mohd. Saghir Khan for their encouragement.

I extend my deep sense of indebtedness to my friendly lab colleagues Dr. Kamal Singh, Mrs. Lubna Oamar, Ms. Shazia Siddiqui and Ms. Azra Tarannum for all out help, cooperation and encouragement at every time in the completion of this work.
Thanks are also due to my other lab colleagues Dr. N.A. Ansari, Dr. Madhu Kulshreshtha, Dr. Yasmeen, Mrs. Fauzia Naushin, Ms. Fauzia, Ms. Almas Zaidi, Mr. L. Peter Singh, Ms. Shazia Koussar, Ms. Iram Deeba and my friends Messers M.H. Siddiqui, J.I. Kazmi, M.A. Mantoo, S. Khan, A. Ahmad, Anis Mohd., S.A. Azad, S.A. Wali, R.U. Siddiqui, A.A. Khan, H.A. Khan, Ms. Asma, I.A. Ansari, S.B. Khan, Dr. K.P. Singh, Dr. Irfan Ahmad, Dr. Chhuttan Khan, Dr. A.R. Siddiqui, Mr. Altaf Husain, Mr. A.A. Siddiqui, Mr. I.J. Khan, A. Parvez, G. Jahan, A.A. Sheikh, Mohd. Imran, Mohd. Arshad and K.Z.A. Khan for their help and cooperation.

Heartiest respect and indebtedness are offered to my affectionate parents and beloved brothers Messers M. Yameen Khan, Maqbool Ahmad Khan, J.M. Khan, Naseer Ahmad Khan, M. Yaseen Khan and brother-in-law Mr. B.M. Khan, Mr. H.R. Khan and sisters for their affection, blessings, encouragement, support and care throughout my studies and providing assistance in the completion of this manuscript and whole educational and social life till now.

I am highly thankful to Dr. Masood Ahmad, Ex. Education Minister, U.P. Govt. and Prof. J.P. Verma, Deptt. of Horticulture, R.B.S. College, Bichpuri, Agra for their encouragement and financial support in the preparation of this thesis.

Above all the author wishes to express sincerely in great esteem, his gratitude, thanks, appreciation and indebtedness to the 'ALMIGHTY ALLAH' for providing and guiding all the channels to work in chohesion and coordination to make this study possible.

Badshah Khan
