ACKNOWLEDGEMENT

In the name of Lord Shiva, the most benevolent, gracious and merciful

Gratitude is a gesture that expresses our wholehearted thanks to all who deserve it. I in the process of completion of my Ph.D. thesis is indebted to many great minds who have been with me in and out of my challenging days as a research scholar.

First and foremost, it is difficult to overstate my gratitude to my Ph.D. supervisor, Dr.M.A.Gopalan, M.Sc.,Ph.D., Reader in Mathematics, National College, Tiruchirappalli, for the continuous support of my Ph.D. study and research, for his contribution of time, ideas, patience, motivation, enthusiasm, and immense knowledge. With his inspiration, and great efforts to explain things clearly and simply helped to make mathematics fun for me. Throughout my thesis-writing period, he provided encouragement, sound advice, good teaching, and lots of good ideas. I could not have imagined having a better advisor and mentor for my Ph.D. study.

I place in record my gratitude for my math teachers of high school and higher secondary, lecturers and professors of college who have given me a strong base in Mathematics with kind assistance for writing letters, giving wise advice, helping with various applications, and so on. which has taken me to this level of a research scholar.

I am deeply grateful to Shri.K.Ragunathan, Secretary, National College, Tiruchirappalli for readily providing me all the facilities required for completion of this work.
I humbly acknowledge my heartfelt thanks to Dr.K.Anbarasu, Principal, National College and Prof.A.Krishnamoorthy, Head, Department of Mathematics, National College, Tiruchirappalli, for their sincere guidance in the pursuit of the study.

I am deeply indebted gratitude for the members of the Reddy Educational Trust and Members of the Cauvery College Governing Council, Tiruchirappalli, for their kind and ready co-operation extended to the successful completion of this research work.

My multitudinous gratitude to Dr.V.Sujatha, Principal, Cauvery College for Women, Tiruchirappalli, for being instrumental in this great achievement. I greatfully acknowledge the unflinching help rendered by her during my work. She has been a source of inspiration to me and also to many other research aspirants.

My thanks are due to my Head of the Departments Smt.S.Premalatha and to all my colleagues, especially Smt.V.Pandichelvi and Smt.G.Srividhya, belonging to the Department of Mathematics, Cauvery College for Women, Tiruchirappalli, for their co-operation extended to complete my research.

More special thanks are due to my friend Dr.Manju Somanath, for giving good ideas and timely help to complete this work.

I am also thankful to Dr.S.Devibala for her timely help.

I would be sinning if I do not recognize the prayers and kind words of encouragement of Smt.Subbulakshmi Gopalan. I thank prayerfully for her inestimable generosity and motherly kindness, to come to me as a blessing in achieving this milestone.
I express my sincere thanks to my Doctoral committee member **Dr. A Solairaju** for his constant enthusiasm rendered during the course of study.

It is my immense pleasure to thank the administrative authorities and staff of Ph.D. section, Bharathidasan University, Tiruchirappalli and National College for their enlightening facilities in the pursuit of this research work.

Family support is the success behind any woman’s effort. I am blessed to have a supportive and co-operative family.

Most of all for my loving, supportive, encouraging, and patient husband **Er. S. Karunanithi** and my daughter **Miss. K. Sridharini** whose faithful support from starting onwards of this Ph.D. is so appreciated. My humble and honorable gratitude to my parents **Dr. T. Ganapathy** and **Smt. G. Thaiyalnayagi**, the torch bearer of my life and this research work, whose unconditional love and blessings have been my greatest strength.

I extent my warmest gratitude to my sister **Smt. G. Jansi Rani** and my brothers **Sri. G. Kannan**, **Sri. G. Chochalingam** and their family members, were with me in my ups and downs during my thesis completion, for their constant love and support.

In addition, I sincerely express my thanks to all the friends and relatives those who were instrumental in my successful completion of work well within the stipulated time.

Finally, my greatest regards to the **Almighty** for bestowing upon me the courage to face the complexities of life and complete this project work successfully.

**G. JANAKI**
