Acknowledgements

In the praise of Almighty God who bestowed on me the divine guidance to embark upon this task of keeping in realms of facts and events.

First of all I express my deepest sense of gratitude and sincere thanks to my supervisor Prof. Qamar Abbas Naqvi, for suggesting the problem, valuable guidance, incessant encouragement, constructive criticism, expedient advise and affection during the course of investigation and preparation of this manuscript. His adeptness, creative thoughts, perspicuous mind and words shall forever remain in my mind.

I am grateful to my chairman Prof. Ishrat Hussain, and ex-chairman Prof. Samiullah Department of Botany, A.M.U. Aligarh for their kindness and providing necessary facilities to undertake this study. I acknowledge the help and useful suggestions provided by Prof. Ainan-ul-Haq during my experimental work.

I am thankful to Dr. P.S. Ahuja, Director, I.H.B.T, Palampur for the support and permission for molecular work.

I place my sincere gratitude to Dr. A.A. Zaidi, Scientist & Head of Floriculture Division, I.H.B.T, Palampur who inculcated in me the scientific aptitude, confidence and the courage to live up to that challenge. With wise acumen, swift courage and calculative demeanor of a leader, he guided and advised me through the journey to completion. I thank him from my heart for the meticulous and able guidance provided and for showing me the right path. I am sure these will definitely be the leading light for my future endeavors.

I am thankful to Prof. Anupam Varma, (IARI, New Delhi) for their inspiring lectures, guidance, fruitful advice, valuable suggestions, affectionate encouragement and untiring efforts to develop an independent thinking in me, especially in molecular biology work. I feel highly indebted for their affection and blessings.

From tiny tips to big leaps and climbs, it is my senior and Research Associate Dr. Neeraj Verma, who is the man, supported me and bringing the thesis in its actual form. I am speechless before his patience and understanding.

I am grateful to acknowledge the cheerful cooperation and help of Dr. Vipin Hallan, Scientist, Plant Virology Lab, I.H.B.T Palampur.

I extend my gratitude to Dr. Raja Ram & other Tech. officers for the help despite of their busy schedule.

Besides I am also thankful to Dr. Y.S. Ahlawat (Chairman of Virology, IARI), Dr. R.K. Jain, Dr. Bikash Mandal, Madam S. Bikash, & specially Dr. R.P. Pant for providing me the facilities like E.M & PCR.
I am also immensely thankful to **Dr. A. Hasnian** (Genetics lab. Zoology); **Mr A.A.Khan** (System Manager) Computer Center A.M.U; **Mr S.Yousif**; **Mr S.Husain**; **Mr M.H.Hashmi & Global Services** for helping me in typing this manuscript.

My special thanks to **Mr A.R.Sherpa** for meticulous help in my photographic work.

With all regards, I acknowledge the co-operation & help rendered by all the teaching staff & non-teaching staff of Botany Department as well as the Lab. Workers of Flouriculture division, IHBST.

My eternal gratitude goes to my sisters & my brothers for their inspiration, encouragement and moral support during my hard time without which my long cherished aspirations would have been vanished.

The present advanced dictionaries are handicapped to give me an appropriate word by which I can express my thanks to **Yasir Bin Taityah**, who selflessly, unirginly, always positively encouraged me to do this arduous task. He always fueled me with invincible thought whenever I felt exhausted in my energy and patience.

New horizons define new needs, relationships and new friendships making the celebration of life more meaningful. I acknowledge the happy moments spend with **Vanita, Arpana Anjali, Lakhmir, Birender, Manoj and Surjeet**.

A word of thanks also goes to **Mr Amit, Mr Saurabh and Mr Gaurav** also. I owe a special debt of gratitude to **Riyaz, Fayaz, Javad, A.A.Khan, Shahid, Kashif, Sajad baba & Faisal** for their help whenever I needed.

Diction is not enough to express my thanks to my friends **Smita, Asiya, Rasheeda, Reshmi, Farah, Rukhsana, Rubeena, Suriya, Sameena, Tabassum, Simriti, Abha, Nyla & Subhana** for their help encouragement and cooperation that make my research work enjoyable and worthy.

Good mast & sail are essential for smooth sailing of a ship. This idea holds true for my seniors **Dr. A.Farah** & **Dr. M.Aalam**.

The eternal foundation of blessing, moral support and never ending sacrifice of my loving parents has enabled me to reach the footstep of my long cherished aspiration. Without constant inspiration from **Abbi and Ammi**, this milestone would have eluded me.
