ACKNOWLEDGEMENT

I am highly grateful to my supervisor Dr. Akram A. Khan, for affectionate encouragement, expert advice and searching criticism throughout the completion of this work. He has always been a source of inspiration and unfailing support, which encouraged me to continue this work even under odd circumstances. Without his unfailing support, the present work would have not been completed in the present form.

I express my deep and sincere gratitude to Dr. M. Abdus Salam, Department of Economics, A.M.U, Aligarh, for his ethical and moral support during this work.

I have no words to express my gratitude to Ms. Naghma Usmani Ms. Umme Hani, Ms. Saba Nawaz, Ms. Arshi Usmani and Mr. Ejaz Anwar Noorie for their well timely help and great support in every respect.

Special mention must be made of my fiancée for his inspiring role, deepest care and moral assistance during this tedious work.

Lastly, I wish to express my heartfelt gratitude to my parents, brothers, sisters and bhabhi for their dedication, forbearance, help and encouragement without which this work would have not existed.
