Abstract vii
Contributions of Author

Chapter 1  Introduction
  1.1 Preliminaries 01
  1.2 Review of Literature 10
  1.3 Current Work 15

Chapter 2  Expected Time for Recruitment in a Two
Graduated Manpower System when Threshold
Distribution has SCBZ Property.
  2.1 Introduction 21
  2.2 Description and Analysis of the Model 23
  2.3 Numerical Illustration 35

Chapter 3  Expected Time for Recruitment in a Two
Graduated Manpower System associated with
Correlated Inter-Decision Times – A Shock
Model Approach.
  3.1 Introduction 37
  3.2 Description and Analysis of the Model 1 39
  3.3 Description and Analysis of the Model 2 51

Chapter 4  Expected Time for Recruitment in a Two-
Graduated Manpower System associated with
Correlated Inter-Decision Times when
Threshold Distribution has SCBZ Property.
  4.1 Introduction 58
  4.2 Description and Analysis of the Model 1 60
  4.3 Description and Analysis of the Model 2 70
