Acknowledgement

To the Almighty I bow my head in humility and reverence for having gifted man with the faculty of reasoning and a spirit of discovery.

To my parents, uncles, aunts, brothers and sisters I offer my tributes for their consistent inspiration, encouragement and for the generous financial assistance. This is a fruition of their well wishes and prayers.

To Dr. Imrana Naseem, a wonderful person who has since been a friend and guide, her advice, persistent interest and encouragement throughout the course of this investigation make me offer a deep sincerest sense of appreciation and gratitude. I lifelong will cherish my association with her.

I am thankful to Prof. Masood Ahmad, Chairman, Department of Biochemistry, for his valuable suggestions during the period of this work. Sincere thanks to Prof. S.M. Hadi for his cooperation and valuable suggestions in time of need. Thanks to Prof. Saleemuddin for the concern and generous succor provided by him. I owe a great deal to Dr. Riaz Mahmood who has been strong source of inspiration and support for me.

I thank all my teachers for inculcating in me an interest in Biochemistry, patiently answered my questions and corrected my misconceptions. I sincerely thank Prof. Nizamuddin Khan, Department of Chemistry for valuable suggestions.

To Dr. Fahim Khan, Dr. Haseeb Ahsan, Dr. Shakeel Khan, Dr. Shams Ola and Dr. Nefser S. Khan in their ‘incarnation’ as a teacher and friend. I offer my heartfelt thanks to all for being ‘comrade in arms’ and a source of constant support and encouragement.

Words fail to express my indepth feeling for my lab colleagues Aamer, Athar for their cooperation. My sincere appreciation for Sonish, Nagmah, Arshi, Hina, Pawan, Amjad, Kaleem, Samina, Rana and Sonali for their generous help and eager cooperation. Kashif, Shahid and Sohail deserve a word of praise for being like younger brothers. I owe an expression of thanks to Sadaf and Sabiha for their thoughtfulness and help in various ways during this course of study.
I would like to place on record my appreciation of the staff and lab attendants in Biochemistry and also Biotechnology Department for their cooperation and technical support. I am also thankful to Mr. Mujtaba Ahmad for his excellent photographic techniques, which enable me to present my work clearly.

To Omer Basodan in his incarnation as a friend, Mojad and Tariq for being comrade in arms, I offer my heartfelt thanks.

I would like to say that words are inadequate to express the feelings inside me for those who have been with me from their long distance, for giving me the support and encouragement. To Dr. Aiman Mukhmer, Dr. Murad Helaleh, whom I discovered a delightful stimulating person. To Eng. Mahmood Barqawi, who show me the real challenge, to all I offer my sincerest sense of appreciation and gratitude.

To the one who kept with me step by step from the childhood till this moment, I wish to say that we did indeed break on through and now what will be the next step?. To Amjad Al-Sofee, again we will be together.

UGC is gratefully acknowledged for providing the necessary financial assistance and Taufeq bhai, the dealing clerk at the scholarship section for his efficiency in passing my work and continuos help.

Finally, my heartfelt gratitude to my wife Hameedah, for her forbearance and being the “Wind beneath my wings”. Special praise for my kids Ahlam, Hamzah, Mudseen, Omer, Odea and Khaleel for teaching me patience and unconditional love.
