ACKNOWLEDGEMENT

All praise is due to ALLAH, the Almighty, the most beneficent, the most merciful, who bestowed upon me the courage, patience and strength to embark upon this work and carry it to its completion. I express my thanks to ALLAH and bow my head before Him in gratitude.

I am indeed fortunate enough to have Prof. Tariq Aziz, Department of Applied Mathematics, Aligarh Muslim University, Aligarh, as my research supervisor who inspite of his very busy schedule has rendered all possible help to carry out my research work. It is only his personal influence, expert guidance and boundless support that enabled me to complete the work in the present form. I very gladly and respectfully express my heartiest gratitude to him for his caring attention and inspiring encouragement which I enjoyed throughout.

For any significant academic achievement, proper and congenial environment is essential. I would like to express my gratitude to Prof. M. Mukhtar Ali, Chairman, Department of Applied Mathematics, A.M.U., Aligarh, for providing me necessary facilities and help throughout my research. My thanks are also due to Prof. Aqeel Ahmed, Prof. Mumtaz A. Khan, Dr. Abrar A. Khan, Dr. Arman Khan, Dr. Merajuddin, Dr. M.Saleem, Ms Niswan Ali and other staff members in the Department of Applied Mathematics who developed in me a sense of analytical approach through fruitful discussions.

I am also grateful to Prof. M. Vanninathan and Dr. Vasudeva Murthy of T.I.F.R., Bangalore for discussions during my short term visit under I.I.Sc-T.I.F.R. programmme.

I shall fail in my duty if I do not place on record my thanks to Mohd. Nazim Khan, Mohd. Abdullah Aziz, my colleagues and other friends for their moral support and continuous encouragement during this project.

I am deeply indebted to my parents for their love, affection and giving me enthusiastic inspiration at every stage of my research work. Without their love, blessings and sacrifices I would probably have never succeeded in carrying through this project. Also, I am extremely thankful to my brothers, sisters and other family members whose love and support are the base of every success of mine. My heart felt thanks are due to my brother-in-law Mr. Mohd. Idris Khan and elder brother Mr. Zubair Khan for being a continuous source of inspiration.

Arshad Khan
