First, I bow in submission and gratitude in Almighty ALLAH, the most beneficent, the most merciful, who bestowed upon me the courage, capabilities and inspiration to achieve this goal.

With great pleasure, I avail the opportunity of expressing my deep sense of gratitude and indebtedness to my supervisor Prof. M. Mukhtar Ali, Department of Applied Mathematics, A.M.U., Aligarh, for his excellent guidance, persistent interest, encouragement and critical suggestions throughout the preparation of this thesis. His sincerity, determination and exceptional abilities remain a constant encouragement to me. I feel that without his masterly guidance and valuable scrutiny this work could never have seen the light of the day.

It is noted that for a significant academic achievement, proper and congenial environment is essential. I would like to thank Prof. Aqeel Ahmad, Chairman and Prof. Tariq Aziz, Ex. Chairman, Deptt. of Applied Mathematics, A.M.U., Aligarh, for providing necessary facilities and co-operation throughout research period.

I am also thankful to Dr. S.C. Aggarwal, Lecturer, Priyadarshani Institute of Technology, Noida and Dr. Izhar Ahmad, Lecturer, Department of Mathematics, A.M.U., Aligarh, for help in providing proper form to the research work.
All my colleagues also deserve thanks for cheerful co-operation and friendly interaction. I am indebted to my friends Dr. V.P. Singh, Dr. Qamruzzaman, Mr. M. Mohatram, Mr. M. Ahtasham, Mr. Bhura, Mr. Jahangeer, Mr. Faizan, Dr. A.K. Shukla, Dr. M. Firdaus, Dr. Gh-Nabi Parrey, Miss Yasmeen, Miss Tabinda Iqbal and other friends who developed in me a sense of analytical and creative thanking by their sympathy and useful discussion.

I am extremely beholden to my parents, brothers and sisters whose love and support are the base of every success of mine. In particular I express my infinite indebtedness to my brothers in law Mr. Ayaz Ahmad, Mr. Azaz Ahmad, Mr. Abdussamad, Mr. Sharmad and Sisters in law Miss Ismat Jha, Miss Sobia, Miss Shama for a continuous source of inspiration.

I wish to express appreciation to my wife Mrs. Anjum Ali and my Baby (daughter) Aalijah Naz whose patience, understanding and moral support have been instrumental in the completion of this thesis.

Last but not the least I would like to thanks Mr. Abuzar and Mr. Nasruddin, who carried out the typing work of this thesis showing all his skills and proficiency.
