Acknowledgement

All praises to the God, the cherisher and sustainer of the world, who gave me the strength, determination and insight needed for the successful completion of this work. I bow my head before Him.

Words are inadequate in translating deep sense of gratitude to my respectable, sagacious, eminent and honorable supervisor Dr. M.Z.A. Rafiquee, Sr. Lecturer, Department of Applied Chemistry, Aligarh Muslim University, Aligarh whose constant support, sympathetic attitude, incessant encouragement, precious guidance and deep concerned about my welfare, always influenced me. His erudite directions, amicable nature, loving and affectionate help and faithful behaviour has left an indelible imprint on me. I would like to thank Dr. Ali Mohammad, Chairman, Department of Applied Chemistry for providing necessary research facilities.

I wish to record a deep sense of gratitude to Prof. K.G. Varshney, Ex. Emeritus Fellow, Department of Applied Chemistry, Aligarh Muslim University, Aligarh whose rich blend of knowledge and experience, erudite directions, constant support and guidance in the field of ion-exchangers have been the foundation of my success. My vocabulary is inadequate to express my regards and sincere thanks towards him.
I take this opportunity to express my special gratitude to Dr. M. Drabik (Institute of Inorganic Chemistry, Slovak Academy of Sciences, Bratislava, Slovakia) for his help in thermal analysis. Thanks are due to CDRI, Lucknow, AIIMS, New Delhi, IIT, Bombay and IIT, Roorkee for providing instrumental studies of the samples.

I owe a word of thanks to my seniors Dr. Arun Agrawal, Dr. Santosh Kumar Gangwar and my friends for their kind co-operation and timely help.

All the words of praises fall short to convey my sincerest and heartiest indebtedness to my father Shri N.C. Gupta (Math Teacher), my mother Smt. U. Gupta, my sisters and brother whose sacrifice and ceaseless affection restored into me the confidence throughout my academic exploration.

Last but not least, I offer my thanks to those whose names I could not acknowledge individually and they helped me directly or indirectly for the successful accomplishment of this task.
