Acknowledgement

I wish to express my sincere gratitude to my supervisor Dr. Q.A. Naqvi, Associate Professor, Department of Botany, Aligarh Muslim University, Aligarh, for his expert guidance, constant encouragement, constructive criticism and sympathetic attitude throughout the course of the present work.

My sincere thanks and respectful regards are reserved to Prof. Khalid Mahmoud, the founder of Virology Laboratory in the Department, for his invaluable suggestions and guidance.

I am also grateful to Prof. Samiullah, Chairman, Department of Botany, A.M.U., Aligarh and Late Prof. M.Wajid Khan, Former Chairman, for providing necessary laboratory facilities.

I extend my sincere thanks to Dr. I.D. Garg, Scientist, C.P.R.I., Simla for providing antisera and for his help in Electron Microscopy. Thanks are also due to Director, C.T.R.I., Rajamundhary, for providing seeds of different tobacco varieties time to time.

I am also thankful to my friends specially Syed Faheem Ahmad, Zafar Sultan, Puneet Varshney and Shakeel Ahmad for their cooperation during the course of present work. Special word of thanks for the
sincere assistance are expressed for my lab. colleagues.

The determined patience and keen interest expressed by Ms. Guley Iram, during the course of my research curriculum requires sincere appreciation.

I also wish to express my respectful regards to my Uncle and Aunty for their valuable support.

I feel pleasurable in acknowledging my gratitude to Anglo Computers for word processing in time.

In the last, it is my utmost desire to pay my thanks to my parents, elder brother and all other family members for their patience, encouragement, blessings and inspiration.
