Acknowledgement

“Timely help albeit small will ever be greater than the Universe” – Thiruvalluvar

It is time to walk through the lanes of memory and to blissfully acknowledge the invaluable help of so many people who have contributed to the successful completion of this research work.

I have great pleasure in acknowledging my indebtedness to Prof. P. Dananjayan for his benevolent guidance, relentless efforts, keen interest, constructive control and critical appreciation along with the knack of making the most difficult task seem so simple. His wholehearted encouragement, acted as a constant source of inspiration to me throughout the course of this study. I extend my gratitude to Mrs. Dananjayan, for her warm affection and hospitality which I enjoyed for countless number of times.

I am profoundly thankful to the learned members of my Doctoral committee, Prof. K. Manivannan and Prof. Satya Narayana for their valuable guidance and constant encouragement.

I am grateful to Prof. V. Prithviraj, Principal, Pondicherry Engineering College and Prof. T. G. Palanivelu, Former Principal, Pondicherry Engineering College for permitting me to make use of the facilities in the college for the research work. I express my ingenious, sincere requital to the Professor and Head, Dr. S. Himavathy, Department of Electrical and Electronics Engineering, for her immense help and moral support rendered during the course of this research work.

I am indebted to Dr. R. Gnanadass, Dr. Alamelu Nachiappan, Dr. K. Rajambal, Ms. R. Rajathy, Mr. K. Elanseralathan, Dr. S. Jeevananathan, Dr. G. Sivaradje, Dr. L. Nithianandan and Dr. Jayanthi for their timely help at different stages of this research work. I am thankful to Prof. S. Sivamurthy Reddy and Prof. M. Ramaswamy for the discussions and suggestions rendered by them, during the course of writing thesis. I am thankful to my students
Mr. P. Sanjeevikumar, Ms. D. Saraswathi, Ms. T. Hajmunnisa, Mr. K. DelhiBabu, Mr. Naveen and Mr. Karthik for the innumerous help I have received from them at different times.

Lexicon has no words to give vent to my feelings when I think of the affection, love and sacrifice of my parents Sri. R. Balakrishnan and Smt. D. Anandavalli, husband Mr. K. Mohan, kids M.G. Varshni and M.G. Shyam Sundar and brothers Dr. B. Saravanan and Mr. B. Ravishankar, without which this study would have never been possible. My profound gratitude is to my husband and my children for their patience, kind heartedness and moral support offered during the crucial periods of my research. I express my heartfelt regards to my loving mother who took pain in bringing me up to this stage and my father whose high principles and hard work have always been a constant source of inspiration for me throughout my career.

(B. GEETHALAKSHMI)
