ACKNOWLEDGEMENT

Words and lexicons can not do full justice in expressing a deep sense of gratitude and indebtedness which flows from my heart towards my esteemed supervisor **Professor Dr. Mumtaz Ahmad Khan**, Department of Applied Mathematics, Faculty of Engineering, Aligarh Muslim University, Aligarh. Under his benevolence and able guidance, I learned and ventured to write. His inspiring benefaction bestowed upon me so generously and his unsparing help and precious advice have gone into the preparation of this thesis. He has been a beckon all along to enable me to present this work. I shall never be able to repay for all that I have gained from him.

I shall always remain grateful to **Ex-Chairman Prof. Tariq Aziz** and to **Prof. Mohd. Mukhtar Ali**, present chairman, Department of Applied Mathematics, A. M. U., Aligarh for providing me necessary research facilities in the department.

I am particularly indebted to **Dr. Hambeer Singh**, Reader and Head, Department of Chemistry, D. S. Degree College, Aligarh for his inspiration and encouragement.

I also take this opportunity to thank every staff member of the Department of Applied Mathematics who have contributed in any way towards the completion of this task.

My thanks are due to my seniors **Dr. Mrs. Muqaddas Najmi**, Reader, Women’s Polytechnic, A. M. U., Aligarh, **Dr. Abdul Hakim Khan**, senior Lecturer, Department of Applied Mathematics, A. M. U., **Dr. Ajay Kumar Shukla**, Lecturer, Regional Engineering College, Surat (Gujarat), **Dr. Khursheed Ahmad**, Trained Graduate Teacher, S. T. High School, A. M. U., **Dr Ghazi Salama Mohammad Abukhammash**,
Lecturer, West Bank, Ghaza Strip, Palestine, all of whom obtained their Ph.D. Degrees under the supervision of my supervisor, for their help and encouragement in the completion of my Ph.D. work. I am also thankful to my other seniors Mr. Syed Mohd. Amin, P. G. T., City High School, A. M. U., Mr. Ajeet Kumar Sharma, Moradabad, Mr. Shakeel Ahmad Alvi, P. G. T., Senior Secondary School, A. M. U., Dr. Khursheed Ahmad T. G. T., S. T. High School, A. M. U. and Mr. Bhagwat Swaroop Sharma, all of whom obtained their M. Phil Degrees under the supervision of my supervisor Prof. Mumtaz Ahmad Khan, for their help and co-operation rendered in writing my Ph.D. thesis.

I wish also to thank my fellow research workers Mr. M. P. Singh and Mr. Adil-ur-Rahman both working along with Mr. Baghwar Swaroop Sharma for their Ph.D. degrees under the supervision of Prof. Mumtaz Ahmad Khan, for the pains they took in going through the manuscript of this thesis for pointing out errors and omissions in it.

I shall be failing in my duties if I do not express my gratitude to the wife of my supervisor Mrs. Aisha Bano, T. G. T., Zakir Hussain Model Senior Secondary School, Aligarh for her kind hospitality and prayer to God for my welfare.

I am also thankful to my supervisor’s children Miss Ghazala Parveen Khan (daughter), B. Tech. IIIrd year (Electrical), Mr. Rashid Imran Ahmad Khan (son), B.Tech. Ird Year, both students of Z. H. College of Engineering and Technology, A. M. U. and to 10 years old Master Abdul Razzaq Khan (son), a class IV student of Our Lady of Fatima School, Aligarh for enduring the preoccupation of their father with this work.
I am also thankful to my cousin Mr. Zaheer Hussain Khan for giving me help as and when required during my stay in Aligarh to pursue my Ph.D. work.

In the end I would like thank Mr. Tariq Ahmad Khan for his painstaking and excellent computer typing for the manuscript of my Ph.D. Thesis.

Finally, I owe a deep sense of gratitude to the authorities of Aligarh Muslim University, my Alma Mater, for providing me adequate research facilities.

(ABDUL RAHMAN KHAN)
