Acknowledgements

I am very much thankful to Late Professor M. Mashkoor Alam for suggesting the problem and guiding me in each and every step. His sudden demise caused an irreparable loss for me and the progress of the work. During his bed ridden days, even he showed me path of success and every step for fulfilment of the work till his last breath. May God bless his soul in heaven.

Next to Late Prof. Alam who helped me in presenting the thesis in its present form is Professor Samiullah, Chairman, Department of Botany, Aligarh Muslim University, Aligarh. He spared his valuable time whenever I needed. I owe deep sense of gratitude to him.

I wish to extend my heartiest thanks and gratitude to Dr. Sartaj Ali Tiyagi, for his suggestions and encouragement throughout my Ph.D. Thesis.

I am thankful to Dr. Nafees A. Khan, Dr. S. Q.A. Naqvi, Dr. Mansoor A. Siddiqui, Dr. Abrar Ahmad Khan, Dr. Kamal Singh and Dr. Samiullah Khan for their cooperation and help without which it was difficult to complete the work.

I am also thankful to my dearest friends Dr. Ehtisham Ahmad, Dr. Shafiq Alvi, Dr. Amjad Zia Mallik, Mr. Vishal Bharti, Shivani and Anushka Bhatnagar for their support and inspiration in the completion of the work.

I would like to express my thanks to my father, brothers especially to Mr. Amar P. Gautam and wife Mrs. Krishna Gautam who always stood by my side during the course of studies, without which it was difficult to complete the work.

Mr. Raj Kumar, Mr. Aziz Ahmad, Mr. Zahir Ahmad and all the members of Competent Xerox Centre especially Imran Bhai and Ghufran Bhai are acknowledged for their role in the preparation of this work.

(Ajay Prakash)
