ACKNOWLEDGEMENT

I wish to express my sincere and deep sense of gratitude to my research supervisor Dr. Tahir Ali Khan, Department of Chemistry, Aligarh Muslim University, Aligarh for his excellent guidance, constant support and persistent interest throughout the course of this work.

It is my pleasure to be thankful to Prof. M. Shakir, Department of Chemistry, A.M.U., Aligarh who gave the initiative and valuable suggestions towards this work before leaving for Ethiopia to join as Professor Department of Chemistry, Addis Ababa University, Addis Ababa, Ethiopia.

I also extend my gratitude to the Chairman, Department of Chemistry, A.M.U., Aligarh for providing necessary laboratory facilities.

I am indebted to Dr. Nayab Ahmad, I.I.T., Kanpur and Chairman, Department of Chemistry, Banaras Hindu University, for their help in getting various physico-chemical data.

I am thankful to my lab colleague Dr. Saji P. Varkey, who helped me in my lab endeavour. Thanks are due to A.K. Mohamed, Khan Shaukat Islam, Abul Kalam and Miss Minnat for their constant encouragement and support.

I have no words to express for my father Prof. S.Q. Hassan, Head Department of Chemistry Banda P.G. Degree College, mother, relatives and friends for their constant support.

Last but not least I must congratulate one soul who had changed my life and made me feel what I am today without which this thesis is incomplete.

S. Sirajul Hasan
