ACKNOWLEDGEMENTS

I am highly grateful to Dr. Nafees Ahmad Khan, Lecturer, Department of Botany, Aligarh Muslim University, Aligarh for his able guidance and continued interest during the preparation of the thesis.

I must record my indebtedness to Prof. Sayeed A. Siddiqui, Chairman and Prof. Wazahat Husain, Former Chairman, Department of Botany, Aligarh Muslim University, Aligarh for providing necessary facilities during research work.

I would like to place on record my heartfelt thanks to my respected teacher Prof. Samiullah for his everending encouragement and timely help during the course of this work.

Thanks are also due to Drs. Aqil Ahmad, Arif Inam, Firoz Mohammad and M.M.A. Khan for their valuable suggestions needed from time to time.

I hasten my thanks to my sincere and adoring colleagues Dr. Ozair Aziz, Dr. Moinuddin Khan and Messers Shamsul Hayat, Azhar Sajjad, Arshad Hussain, Maquesood Manzar, Mohd. Mobin, Rafiullah Siddiqui and G.A. Subramanian who constantly encouraged and helped in every respect.

I am also thankful to my friends Drs. Abu Nasar, Mahmooduzzafar and Messers Seraj Ahmad, M.A. Alam, Javeed, Israrul Haque Ansari, Athar Ahmed, M. Azam, Rizwan Ahmad, Moinuddin Ansari, Ahmedullah, Sadiq Ali, Sayeed, Shariq, Amiruddin, Haroon, Afzal, Arshad Subhail for their continuous encouragement.

Special mention must be made of my grand parents and younger brothers Messers Sayeedur Rahman, Fazalur Rahman, Majid Amin, Nadeem, Shaheen and also my younger sisters Sabia and Razia for their moral support.

Lastly the award of Junior Research Fellowship by the Potash Research Institute of India (PRIII), Gurgaon, India is gratefully acknowledged.

(Habibur Rahman Ansari)
