ACKNOWLEDGEMENT

The providence has bestowed me this opportunity to express my deep sense of gratitude to my supervisor, Dr. Kabir-ud-Din, Reader, Department of Chemistry, Aligarh Muslim University, Aligarh for his unceasing help and learned guidance throughout the progress of this work. His expert knowledge and deep insight into the subject along with his affectionate patronage infused in me the courage and confidence needed to pursue the work.

I owe a great debt to Prof. M.S. Ahmad, Chairman, Deptt. of Chemistry for providing research facilities.

It gives me immense pleasure to acknowledge my heartfelt indebtedness to Drs. Faq A. Khan and Iqrar A. Khan, and Mr(s) Mohd. Anees and Mohd. Shamim, who helped me in various ways throughout this endeavour.

I wish to put on record my deep sense of appreciation to my research colleagues, Mr. G.J. Khan and Miss Zubaida Khatoon, for maintaining cordial atmosphere in the lab.

Finally, I wish to express my sincere thanks to my friends, Drs. Saeed Ahmad, Hafiz M. Ilyas, Intiaz Ahmad, Sibghat-ullah Farooqui, M.Y.K. Ansari, and Mr(s) Bilal A. Zaidi, Anwar Zaheer, Sarfaraz Hadi, A. Zameer, Ali Amir and Hafiz M. Arshad, who provided me lively company and made my stay in Aligarh a pleasant and unforgettable experience.

(Mohammad Shahid)
