ACKNOWLEDGEMENT

I wish to express my most sincere sense of gratitude to Dr. Masood Ahmad who suggested this problem and gave me his support and guidance, constructive criticism and unceasing support, encouragement and trust throughout the course of this study.

I am grateful to Prof. M. Saleemuddin, Chairman, Department of Biochemistry, Faculty of Life Sciences for his persistent interest and generous availability of research facilities to carry out this work.

My sincere thanks are also due to Prof. A.M. Siddiquie, Chief Coordinator and Convenor, Ganga Water Pollution Coordination Cell, for his kind help, fruitful advice and encouragement throughout this study.

I am highly thankful to Prof. S.M. Hadi, Dr.(s) A.N.K. Yousufi, (Mrs.) Naheed Banu, Bilquees Bano, Fasih Ahmad, Riaz Mahmood, Qayyum Hussain, Jawaid Iqbal and (Miss) Imrana Naseem for their helpful suggestions.

I am also highly thankful to Dr. J.H. Parish, University of Leeds, U.K. and Dr. G.A.S. Ansari, University of Galveston, U.S.A. for their kind gift of bacterial strains, necessary chemicals, pesticides as well as for their fruitful discussion throughout this work.

I am grateful to Prof. R.H. Siddiqui and Dr. Anwer Khursheed, Department of Environmental and Civil Engineering, A.M.U. for conducting the Atomic absorption analysis of heavy metals.

Dr. Afzal and Asim, Department of Zoology, A.M.U. also deserves a word of thanks for their kind help and cooperation to carry out SCE experiment.

My thanks are extended to all my lab colleagues especially, Asma, Rana, Rekha, Fabeha, Touseef, Aisha, Farah, Veena, Rashid, Shahid, Adil, Asghar, Qasim, Jalal and Faheem for their amicable help and cooperation.

A token of deep appreciation to SHABANA ISLAM and MANA for their genuine and kind help during the course of my study.
I am also thankful to Javed Bhai, Shafat and Malik for their help, encouragement and cooperation.

It gives me immense pleasure to express my heartfelt thanks to my dear friends, Shabana, Afshan, Touseef, Nikhat, Naseem, Subuhi, Sayeeda, Kishwar, Zeba, Shahla, Suboohi and Noshina for their constant cooperation, encouragement, moral support and pleasant company.

My sincere thanks are also due to my uncle Dr. Hafeezullah Khan and his family for their immense help, encouragement, infinite cooperation and moral support.

I feel short of words to express my heartfelt gratitude to my dear parents who lighted the academic lamp of my life. My sincere thanks are also due to my sisters and brothers who showed keen interest throughout my academic life. I also warmly acknowledge my nephews and nieces who contributed significantly with their affection and moral support.

The Lab Attendants especially Iltija bhai and Noor bhai and office staff especially Sabir bhai and Zuberi bhai also deserve a word of thanks for their help and cooperation.

Akmal bhai deserves a much praise for his excellent word processing of this thesis.

Aligarh Muslim University is greatly acknowledged for the financial support.
