ACKNOWLEDGEMENT

The experience and knowledge of many learned persons is contained in this work of research which helped me making this project and study successful. I can only humbly acknowledge to those persons by expressing in words.

Specially it has been a matter of great pride to be guided by Dr. D. Y. Chacharkar, Dept. of Business Administration and Management, S.G.B. Amravati University, Amravati. I wish to state that the completed form of my study has been the light of day, only due to the able guidance, continuous interest and untiring encouragement imparted to me at every stage of my research work by my guide. I am therefore, highly indebted to him and avail this opportunity to express my sincere gratitude to him.

I am also thankful to Dr. Santosh Sadar, H.O.D., Dept. of Business Administration and Management, for encouraging me during my research work. I am also grateful to Prof. S.N. Gaikwad, Dr. M.B. Putwad, who had always a source of inspiration for me. I am also thankful to Dr. P.A. Pawar, Asso. Professor, Chemical Technology Department, for extending invaluable help during my research.

The staff of Central Library, SGB Amravati University helped me time to time. The authorities of Libraries, Shri Shivaji Agriculture College, Shri Shivaji Arts, Commerce and Science College, Amravati provided me library facilities for
this research, without which it was impossible to fulfill my research. I record my sincere thanks to all the Library authorities.

The work presented in this thesis could be possible because of cooperation and help of office bearers of D.R.D.A., Mahila Arthic Vikas Mahamandal, Mahanagar Palika, D.U.D.A., Collector Office, Amravati. I place on record my thanks to them.

Lastly, throughout the research work, my family members, friends and well wishers were with me. I place on record my thanks to them.
