ACKNOWLEDGEMENTS

I wish to express my deep sense of gratitude to both Prof. Nurul Islam, Ph.D. (New York), Department of Chemistry and Prof. Nafees Ahmad, Ph.D. (Biochem.), Institute of Ophthalmology for their guidance, criticism and valuable suggestions. I sincerely acknowledge the facilities provided and the help accorded to me by Prof. Nafees Ahmad. This work would not have completed without his help and guidance.

I am thankful to Prof. Kailash Nath, Ex-Director, Prof. O.P. Ahuja, Director, Institute of Ophthalmology and to Prof. M.S. Ahmad, Chairman, Department of Chemistry for providing necessary facilities.

I owe many thanks to Dr. (s) F.A. Jilani, Shamim Ahmad, A.M. Khan, and M. Ashraf for their sympathies and suggestions.

I am extremely grateful to Dr. (s) Mukhtar Ahmad, M. Ibrahim, S. Malik, A.A. Ansari, Jawaid Iqbal for their generous help, healthy criticism and useful discussions.

My thanks are also extended to Dr. (s) M. Saleemuddin, Nadir Ali Khan, A.M. Khan, Professor Emeritus, Khalid Siddiqui for their timely suggestions and encouragements.
To (Messers) Mukhtar Ahmad, Qayyum Husain, Tariq Khan, Maqbool Ahmad, Najmul Islam, Khalid, K.Z. Abedeen, Syed Jaleel Nasir, Saad Tayyab, Asif Ahmad for their friendly cooperations.

To Mr. M. Usman, Technical Assistant and Mr. Siddiq, Laboratory Attendant for their technical assistance and help.

(ZAKIR HUSSAIN)
