Dr. A.M. Kidwai  
Ph.D.  
Scientist-in-charge  
Biomembrane Laboratory.

This is to certify that the thesis entitled, "BIOCHEMICAL ALTERATIONS IN THE GASTROINTESTINAL TRACT OF RATS ON FLUORIDE EXPOSURE" embodies the original work carried out by MR RASS MASOOD SFAYIQ under my supervision and that he has actually attended the Biomembrane Laboratory, Industrial Toxicology Research Centre, Lucknow. He has fulfilled all the requirements for the degree of DOCTOR OF PHILOSOPHY (Ph.D.) in Biochemistry of the Aligarh Muslim University, Aligarh, regarding the nature and period of the investigational work.
