Acknowledgements

I am highly thankful to The Almighty enabling me to reach up this destination.

It is my proud privilege to put on record my deep sense of gratitude to my research guide, Prof. Kabir-ud-Din, Chairman, Department of Chemistry, Aligarh Muslim University, Aligarh for this enlightened guidance, continuous encouragement, sagacious advice and paternal affection throughout the period of these investigations which have enabled me to execute this research work.

I also wish to express my profound sense of respect to Dr. Sanjeev Kumar for his keen interest, moral support, and invaluable help during my research work.

I am very grateful to Dr. V.K. Aswal of Solid State Physics Division, Dr. P.S. Goyal and Dr. Goutam Ghosh of UGC-DAE Consortium for Scientific Research, BARC, Trombay Mumbai, for helping in acquiring SANS and DLS Data, respectively.

I am extremely thankful to Dr. Zaheer Khan, Dr. M.Z.A Rafiquee, and Dr. Mohd. Akram for their help and cooperation at every stage.

I thankfully acknowledge the help offered to me by Dr. Andleeb Zehra Naqvi, Dr. Ziya Ahmad Khan, Mr. S.M. Shakeel Iqubal, Ms.
Daksha Sharma, Miss Nahid Perveen, Ms. Waseefa Fatma and Ms. Umme Salma.

I owe my thanks to my friends, Miss Neelam Hazoor Zaidi, Ms. Samita Sharma and Mr. Rajesh Jain for their constant support and encouragement.

My humble gratitude must also be reserved for my late grandfather, my parents, sisters and brother for their motivation and encouragement during my whole academic period.

Financial support for the work provided by UGC – DAE CSR, Indore in the form of Project Assistant is thankfully acknowledged.

Last, but not the least, I have no suitable words to convey my thanks to all my teachers, who sculptured and enabled me to achieve what I wish.
