Acknowledgements

I express my sincere thanks and gratitude to Dr. R.K. Sharma under whose able guidance and suggestions with constructive encouragement, this research work has been carried out. Continuous discussions and creative suggestions have helped me to achieve the Everest of knowledge in this subject and bring out this thesis in this form. The persistent attention that he has shown to guide me through the right path to attain results and his patience in dealing with problems is highly appreciable. I consider myself to be very lucky to work through his advice.

Also my thanks to the family members of Dr. R.K. Sharma.

I have carried out the major part of my research work at Vikram Sarabhai Space Centre (VSSC), Indian Space Research Organisation (ISRO), Thiruvananthapuram. I am very much thankful to Mr. C. Madhavan Nair, the then Director of VSSC and presently Chairman of ISRO for granting me permission to work at VSSC.

I am indebted to the Applied Mathematics Division for providing necessary facilities to complete the research work. My sincere thanks go to Dr. P.V. Subba Rao, Head of Division, for his support and co-operation. My personal thanks to each and every member of Applied Mathematics Division, Computer Division and TOMD who have directly or indirectly helped me to carry out this research work.
Sincere thanks goes to Dr. M.V. Venugopan Nair, Principal, VTM NSS College for forwarding my application to University Grants Commission to complete the work under Faculty Improvement Programme.

I am thankful to the University Grants Commission for selecting me and financing me to carry out research work under JRF scheme.

I do not know in what way I should express gratitude to my husband Mr. P. Madhuramurthy whose sacrifice and patience helped me a lot to fulfill my work.

My loving thanks to my wards, M. Seetha and M. Sreehari for the help rendered to me to bring out this thesis.

This acknowledgement will not be complete if I do not remember my kind, encouraging and supportive friends, colleagues and relatives.
