LIST OF TABLES

Chapter - II

1. Raw Material Required for the Production of Aluminium

2. Consumed to Total cost of Aluminium companies in India during 1986-1996

3. Prices of Imported Raw Materials

5. Analysis of Various of Proportion of Raw material in Aluminium Companies in India

6. Rates of Excise Duty Charged on Aluminium and its Products

7. Percentage of Excise Duty to Total Cost of Aluminium Companies in India During 1983-1996

8. Analysis of Variance of Proportion of Excise Duty in Aluminium Companies in India

9. Percentage of Labour Cost to Total Cost of Aluminium Companies in India during 1983-1996

10. Average Wages paid (per capita and per tonne of Metal produced), Employment, Mandays lost and Number of Workers Employed During 1990 to 1996

11. Analysis of Variance of Proportion of labour cost in Aluminium Companies in India
12. Percentage of Power and Fuel to Total Cost of Aluminium Companies in India During 1983 to 1996
13. Analysis of Variance of Proportion of Power and Fuel in Aluminium Companies in India
14. Power Consumed for Production of Aluminium During 1985 to 1988
15. Analysis of Variance of Proportion of Other Factory Expenses in Aluminium Companies in India
16. Percentage of Overhead Expenses to Total Cost of Aluminium Companies in India During 1983 to 1996
17. Analysis of variance of proportion of over head Expenses in aluminium companies in India
18. Percentage of Selling and Distribution Expenses to Total Cost of Aluminium Companies in India During 1984 to 1996
19. Analysis of Variance of Proportion of Selling and Distribution Expenses in Aluminium Companies in India

Chapter - III

1. Sales of Aluminium Companies in India During 1984 to 1996
2. Original and Trend Values of Sales of Indal During 1984 to 1996
3. Original and Trend Values of Sales of Aluminium Industries in India During 1984 to 1996
4. Original Trend Values of Sales of Hindalco During 1986 to 1996

5. Original Trend Values of Sales of Malco During 1986 to 1996

6. Sales Indices of Selected Industries in India During 1991 to 1996

7. Sales Indices of Aluminium and other Non-ferrous Metal Companies of Selected Countries During 1986 to 1996

8. Index Number of Main Economic Indicators and Sales of Aluminium Industry in India

Chapter - IV

1. Aluminium Industry in India - Condensed Profit and Loss Account (Consolidated) Including Common Size Percentages

2. Madras Aluminium Company Limited - Condensed Profit and Loss Account, Industry common Size Percentages

3. Common Size Profit and Loss Statement of Selected Industries in India During 1996

4. Return on Capital Employed of Aluminium Industry in India During 1985 to 1997

5. Capital Employment of Indal During 1985 to 1997

6. Return on Capital Employed of Hindalco during 1985 to 1997
7. Rate Return on Capital Employed of Selected Industries in India During 1935 to 1997
8. Assets Turnover Ratio of Aluminium Industry in India During 1985 to 1997
9. Assets Turnover Ratio of Malco During 1987 to 1997
10. Assets Turnover Ratio of Selected Industries in India During 1985 to 1997
11. Perfect marginal ratio of Alcoind During 1985 to 1995
12. Profit Marginal Ratio of Indal During 1985 to 1997
13. Profit Marginal Ratio of hindalco During 1984 to 1996

Chapter - V

1. Aluminium Industry in India: Statement of Working Capital
2. Alcoind of India Limited : Statement of Working Capital
4. Ratio Analysis of Working Capital of Indal During 1984 to 1996

5. Ratio Analysis of Working Capital of Hindalco During 1984 to 1996

7. Ratio Analysis of Working Capital of Balco During 1984 to 1996
