ACKNOWLEDGEMENTS

I wish to express my deep sense of gratitude and indebtedness to my supervisor Prof. M. Wajid Khan, Chairman, Department of Botany, Aligarh Muslim University, Aligarh, for his able guidance, constant encouragement and critical evaluation throughout the course of investigation and preparation of the thesis.

I am highly thankful to Dr. Zaka-ur-Rab, Director, Institute of Agriculture, A.M.U., Aligarh, for providing all the necessary facilities required during the course of study. My sincere thanks are also due to Prof. A.C. Gaur, formerly Professor of Agricultural Microbiology at the Institute of Agriculture, for his valuable suggestions and help.

I am highly indebted to Prof. M. Ilyias, Chairman, Department of Chemistry, and Prof. Noorul Islam, Ex-Chairman, Department of Chemistry, for providing me some costly chemicals. I am highly grateful to Dr. Rehanul Hasan and Dr. S.K. Kavimandan, Senior Scientists, Indian Agricultural Research Institute, New Delhi, for their help in analysis of plant and soil samples and identification of isolated cultures of some microbes. Thanks are also due to
Dr. Javed Mussaraat, Dr. Iqbal Ahmad, Dr. Abdul Malik and Dr. Mujeebur Rehman Khan, for their help and cooperation during my investigations.

I am also thankful to my lab colleagues and technical staff, Ms. Rana Athar, Ms. Musarrat Jabeen, Ms. Richa Jaiswal, Ms Shaba Qamar Ansari, Mr. Shams Tabrez, Mr. Md. Amil, Dr. Badshah Khan, Mr. Fazlur Rehman Khan, Mr. Rizwan Quazi and Mr. Raghib, for their cooperation.

I sincerely acknowledge the cooperation, constant encouragement and help of my husband Dr. Md. Saghir Khan and my sister Dr. Meena Zaidi. I am equally thankful to my brothers Mr. S. Tamseel Haider Zaidi, Dr. Anzar Haider Zaidi and Mr. Noorul Hasan Zaidi for their continuous cooperation and support at every step during the period of investigation and ever willing help as and when needed.

I am also thankful to Mr. Abul Kalam Azad for typing the manuscript neatly.

_ALMAS ZAIDI_
