Acknowledgement

I wish to express my sincere gratitude and indebtedness to my most revered Professor V. Unnikrishnan Nayar, Head of the Department of Optoelectronics for his able guidance and constant encouragement throughout the period of my work.

My sincere thanks are due to Prof. S. Devanarayanan, Head of the Department of Physics and Prof. P.B. Rao and Prof. G. Aruldhas, former Heads of the Department of Physics, University of Kerala, for providing me with all facilities to carry out this study.

I am also grateful to Prof. V.K. Vaidyan, Prof. S.R. Prabhakaran Nayar, Prof. G. Renuka and Smt. K.P. Vijayakumari, members of the faculty of the Department of Physics of the University, for their constant encouragement and help.

I record my sincere thanks to the Management of St. Gregorious College, Kottrarakara, its Principal, Rev. Fr. V. Varghese, Head of the Department, Prof. K.G. Mathew and my colleagues in the Department of Physics for their sincere co-operation and help.

My sincere thanks are also due to
- Prof. M.T. Averbuch-Pouchot and Prof. Bruno Bujoli, CNRS, France, Prof. V. Jordanovska, Yugoslavia, Dr. Ben Amor, Tunisia, Dr. C.C. Torardi, USA and Prof. K.H. Lii, Taiwan for providing some of the samples used in this investigation.
- Dr. G. Keresztury, Hungary and Dr. A.K. Arora and Smt. Rajeswari, MSD, IGCAR, Kallakuram for recording some of the spectra.
- Prof. T.K.K. Srinivasan, Messers V.T. Joy and R. Suresh Kumar, IIT, Madras for their valuable help during my laboratory work.
- My colleagues in the Laser Raman laboratory: Dr. R. Ratheesh, Messers T. Pradeep, G. Suresh, M.J. Bushiri, S. Krishnamoorthi, Jose P. Abraham and Mesdames Preethi Cicily Thomas, R.S. Jayasree and Bindu Gopinath for their cooperation and suggestions.
- The research scholars in other laboratories of the Department of Physics for providing a friendly atmosphere.
- Mr. Shyam Sharma, Department of Geology, University of Kerala for assisting me in identifying the crystallographic axes of various crystals used in this investigation.
- Mr. K.L. Ramanadhan Nair for the neat typing of this thesis.

Finally, I record my thanks to the University Grants Commission for its financial assistance in the form of a Minor Research Project and a Teacher Fellowship.
