Figure: Spatio temporal growth at Bakhal. 46 hotels were established in the span of 44 years (1972 - 2012). The growth is divided into six phases. The number of hotels established in the different phases are: phase - I (before 1979) - 4, phase - II (1979 - 86) - 3, phase - III (1986 - 93) - 3, phase - IV (1993 - 2000) - 6, phase - V (2000- 2007) - 10, phase - VI (2007- 2012 and under construction) - 20.
Figure: Spatio-temporal growth of hotels at Gangasagar. 39 hotels and Dharamsala were established in this study area. The growth is divided into six phases.
Figure: Spatio-temporal growth of hotels at Mandarmoni. 67 hotels were established in the span of ten years (2002-2012). The growth is divided into eight phases. The number of hotels established in the different phases are - Phase - I (before 2005) - 2, Phase - II (2005-06) - 3, Phase - III (2006-2007) - 4, Phase - IV (2007-08) - 14, Phase - V (2008-09) - 16, Phase - VI (2009-10) - 8, Phase - VII (2010-2011) - 7, Phase - VIII (2011-2012) - 11 (Under Construction).
Figure: Spatio-temporal growth of hotels at New Digha. 282 hotels were established in the span of 27 years (1985 - 2012). The Growth is divided into eight phases. The number of hotels established in the different phases are - Phase-I (before 1985) - 6, Phase-II (1985 - 90) - 8, Phase-III (1990 - 95) - 23, Phase-IV (1995 - 2008) - 26, Phase-V (2000 - 05) - 40, Phase-VI (2005 - 10) - 45, Phase-VII (2010 - 12) - 47, Phase-VIII (Data Not Available and Under Construction) - 87.
Figure: Spatio-temporal growth of hotels at Old Digha. 227 hotels were established in the span of 62 years (1950 - 2012). The growth is divided into eight phases. The number of hotels established in the different phases are - phase - I (before 1959) - 2, phase - II (1959 - 68) - 5, phase - III (1968 - 77) - 12, phase - IV (1977 - 86) - 60, phase - V (1986 - 95) - 54, phase - VI (1995 - 2004) - 68, phase - VII (2004 - 11) - 35, phase - VIII (all hotels with Under Construction, data not available) - 26.
Figure: Spatio-temporal growth of hotels at Shankarpur. 9 hotels were established in the span of 26 years (1984 - 2010). The growth is divided into six phases. The number of hotels established in the different phases are: phase - I (before 1990), phase - II (1990 - 1996), phase - III (1996 - 2002), phase - IV (2002 - 2008), phase - V (2008 - 2010), and phase - VI (other tourist facilities).
Figure: Spatio-temporal growth of hotels at Tajpur. 21 hotels were established in the span of six years (2008-2013). The growth is divided into six phases. The number of hotels established in the different phases are: Phase-1 (before 2009) - 2, Phase-2 (2009-2010) - 7, Phase-3 (2010-2011) - 4, Phase-4 (2011-2012) - 4, Phase-5 (2012-2013) - 1, Phase-6 (Under Construction) - 3.
