ACKNOWLEDGEMENTS

It is with profound gratitude that I express my indebtedness to Dr. C.T. Samuel, Professor of Industrial Fisheries and Dean, Faculty of Marine Sciences, University of Cochin for his enlightened guidance and criticism of this investigation.

I express my deep sense of gratitude to Shri M.R. Nair, Director, Central Institute of Fisheries Technology, Cochin for providing all necessary facilities to carry out this investigation.

I wish to place on record my sincere thanks to Shri H. Krishna Iyer and G.R. Unnithan, Scientists of Central Institute of Fisheries Technology, Cochin for the co-operation and assistance in the statistical treatment of the data.

I am extremely thankful to Dr. Devesh Kishore, Professor and Head, Agricultural Extension and Communication, National Academy of Agricultural Research Management, Hyderabad, Dr. A.M. Thampi, Professor of Agricultural Extension, College of Agriculture, Trivandrum, Dr. Byra Reddy, Director of Extension, Andhra Pradesh Agricultural University, Hyderabad and Dr. S.V. Reddy, Professor of Extension, Extension Education Institute, Hyderabad for their helpful discussion during this investigation.

M.K. KANDORAN
