I express my heartfelt gratitude and indebtedness to my research guide Dr. Rajathy Sivalingam, Associate professor, School of Environmental Studies, Cochin University of Science and Technology, for suggesting this topic, invaluable guidance and inspiring me throughout the course of this work. Her portentous patronage, critical evaluation, and copious attitude are commemorated with reverence.

I thank Dr. Ammini Joseph, Director, School of Environmental Studies, Cochin University of Science and Technology, Kochi who had unfailingly made arrangements for the availability of materials required for this work and extending all library and laboratory facilities.

I am also grateful to other faculty of the school, viz., Dr. I.S. Bright Singh, Dr. Suguna Yesodharan, Dr. M.V. Harindranadhan Nair, Dr. V. Sivanandan Achari, and Mr. M. Anand for their advice and support during the period of my work in this institution.

I express my gratitude to my friend Mr. Syamkumar R, HSST( Jr), Govt. HSS, Eloor, who inspired me throughout the period of research work and render valuable help in statistical analysis time to time.

I would like to extend my sincere thanks to Mr. Ralphy Joseph C.J, HSST in Computer Science, St. Peter’s HSS, Kumbalangi, Kochi, for his advice and motivation to join research work in the University.

I am thankful to Prof. Dr. C.K. Radhakrishnan, former Head, Department of Marine Biology, Microbiology and Biochemistry, Cochin University of Science and Technology, for his valuable suggestions.
I gratefully recall the moral support, perservance and patience rendered by my loving wife Mrs. Mary Teresina K.E., BSNL, Mattancherry, who always stood by me for the successful completion of this endeavour. Above all, I bow before the God, the almighty, for the showers of blessings, which enabled me to complete my research work successfully.
