ACKNOWLEDGEMENTS

I would like to express my sincere appreciation and gratefulness to:

Dr. D. Chandramohan, Scientist, N.I.O, Goa (formerly reader in Microbiology, Department of Marine Sciences, University of Cochin) my teacher and supervisor for his continuous guidance, helpful discussions and advice during the studies.

Prof. C. V. Kurien, Emeritus Scientist, CMFRI (former Prof and Head of the Department of Marine Sciences) for giving me facilities to work in the Department of Marine Sciences and also for his interest and encouragement.

Prof. G. S. Sharma, Head of the department, department of Marine Sciences for facilities given and help rendered during the course of this study.

I am also thankful to the University of Cochin for providing me a junior research fellowship and also to the ICAR for giving me a Senior Research Fellowship.

Finally my thanks are also due to my friends and colleague for their spontaneous help given whenever approached them.
