ACKNOWLEDGEMENT

The author is deeply indebted and grateful to Dr. T. Thenappan, M.Sc., M.Phil., Ph.D., Professor, School of Physic, Alagappa University, Karaikudi, for his inspiring guidance and constant encouragement throughout this investigation. His meticulous dynamic guidance and comprehensive discussions with great involvement have helped me to complete this research work in spite of all the inevitable ups and downs.

The author is thankful to Dr. C. Sanjeviraja, Professor and Head School of Physics, Alagappa University, Karaikudi, for having extended constant help and encouragement.

The author is thankful Dr. S. Kalyanasundaram former professor and Head of the School of Physics, Alagappa University, Karaikudi, for his kind encouragement and valuable suggestions.

The author is thankful to the Vice-Chancellor, Alagappa University, Karaikudi, for providing facilities to carry out this research work in the Department of Physics, Alagappa University, Karaikudi.

The author is grateful to The Director of Teacher Education, Research and Training, Chennai and The Principal, District Institute of Education and Training Kalaiyar Koil, for granting permission to do research work as a part-time scholar.

Dr. M. Subramanian, Dr. U. Sankar, Dr. A. Kingson Solomon Jeevaraj, Dr. G. Parthipan, Mr. J. Aswathamman, Mr. G. Arivalagan, Mrs. A. Prathima, Mrs. T. Indira are the scholars who worked with me and the author is very thankful for their support, invaluable help and scientific discussion.

The author wishes to record his sincere thanks to Mr. PL. Thiyagarajan B.Com., of G4U Net cafe, Karaikudi for careful typing of the thesis and preparation of the CD version of the thesis.
