This thesis would have not been possible without the motivation of a number of hands. I am indebted to many individuals who supported me throughout the period of my research studies. It is a pleasure to them all who have helped and inspired me.

I owe my deepest gratitude to my supervising guide Dr. Navin Kumar Sharma for showering enthusiasm and immense knowledge. Her encouragement, guidance and support from starting to the final level, enabled me to develop an understanding of the subject. I am hereby heartly thankful to Dr. Navin Kumar Sharma, Head, Department of Applied Chemistry, Indraprastha Engineering College, Sahibabad, for the support and help during the period of research work, without your help I am pretty much sure I would not be able to complete this thesis. I cannot count by words how much inspiration I got from you.

I am highly thankful to Dr. R.M Johri, Principal, MMH Degree College, for necessary facilities throughout the research work. I am greatly thankful to Head, Department of Chemistry, Dr. Ayodhya Singh for the support and help during the period of this work. I am thankful for the support received from all the teaching and non teaching staff of the Department of Chemistry.

I owe much to Dr. Pradeep Kumar Sharma, I use this opportunity to express my special thanks to my friends Rashmi Sharma, Neel Kamal, Karuna. I always get highly motivating words from them. I am thankful to my lab assistants Bipin Sir and Sanjay Sharma.

My parents, Sh. Narendra Singh Thakur and Smt. Sarla Devi, they deserve a special thanks for the encouragement they had given. No words can suffice in expressing my sense of indebtedness to my parents. I am highly thankful to my brothers Mr. Ajeet Singh and Mr. Amit Kumar for the support given. I am also thankful to my bhabhi Smt. Raksha Dhatwalia & Smt. Komal Shishodia. My in-laws Sh. Sher Singh and Smt. Bhagwati Devi and sister in-law Meenakshi Singh, you also need a handful thanks for the support given to me.
I am extremely thankful to my husband Mr. Omkar Singh. I appreciate the mental strength, support, prayers and encouragement he had showered at me throughout my research studies. I always got highly motivated words from my husband. Our daughter Kanishka (Mithu), I am extremely fortunate of having blossom like you in our life; thank you dear.

I am also thankful to Regional Sophisticated Instrumentation Centre, Indian Institute of Technology for recording "^1HNMR and U.V. Spectra, Arbro Pharmaceutical Limited for recording I.R. Spectra and Standard Analytical Lab, Padpadganj, Delhi for Antimicrobial activity against Fungi and Bacteria.

Finally, I would like to thank everybody who was behind the fulfillment of my thesis. Above all, I stood before almighty god for having given me strength and blessings to carry out this work to conclusion.
