ACKNOWLEDGEMENTS

The real spirit of achieving a goal is through the way of excellence and austerous discipline. First of all, I render my gratitude to the almighty research guide Professor Dr. Karbhari V. Kale, who directed my research work with extreme competence, and gave many useful hints, indications, naive suggestion, constructive proof reading, bestowed self-confidence, ability and strength in me, and many fruitful discussions during my study, without which I would not have been able to accomplish this thesis work. He support, help, encourages, motivated me when I am confronted with obstacles and provided an overall guidance and valuable advice on my research in all ways. His constructive criticism and dedication to academic research stimulate my research ideas. Without his appropriate guidance, I cannot complete my thesis successfully. His diligent and responsible attitude is deeply appreciated and will guide my life in future. Without his grace this would never come to be today’s reality. I also thanks to Dr. Pradnya K. Kale for her precious advice, encouragement, enlightenment and cooperation during my research work.
