ACKNOWLEDGEMENT

“The joy, satisfaction and euphoria that comes along with the successful completion of any work would be incomplete unless we mention the names of the people who made it possible, whose constant guidance and encouragement served as a beam of light and crowned our efforts.”

First and foremost I would like to thank THE DIVINE for his grace which fetched the strength and understanding to surmount the difficulties during the tenure of my project work and enabled me to complete this herculean task during this journey.

I wish to express my respect and I feel privileged to thank my adorable project guide gratitude to Dr. S. Jayakumari, M. Pharm., Ph.D., Professor, Department of Pharmacognosy, School of Pharmaceutical Sciences, Vel’s University, for her valuable guidance, constructive criticism and constant encouragement and for lending me all the facilities required to proceed my research work.

I take this opportunity to express my sincere & heartful thanks to Dr. V. Ravichandiran, Director, School of Pharmaceutical Sciences, Vel’s University for providing support during the period of my study.

It gives me great pride and immense pleasure to extend my sincere regards and deepest sense of gratitude to Dr. Ishari. K. Ganesh, M.Com., B.L., Ph.D., Chancellor, Vel’s University, Vels group of Institutions, Chennai for providing me with all the facilities and supports during my academic period of study.

I express my deep sense of gratitude to Dr. S. Kalppana, Managing Director, Sivaraj Medical Colleges, Salem for providing support during the period of my study.

It gives me great pride and immense pleasure to extend my sincere regards and deepest sense of gratitude to my respected Principal, Dr. B. Sampath Kumar, Sivaraj Siddha Medical College, Salem. Sir, I am highly obliged for your encouragement, foresightedness, valuable suggestions ever and willingness to discuss.
science, parental affection you have given me from your schedule, which provided me with the needed moral and confidence during the work. Your constant quest for knowledge, strive for excellence, dedication and discipline will always remain a source of inspiration to me for the rest of my life.

I express my thanks and honorable regards to Dr. M. Logamaniyan, National Institute of Siddha, Dr. C. Saravanababu, Sri Ramachandra University for their support during my study of this work.

I am thankful to Dr. Jayaraman, Director, Plant Anatomy Research Centre for helping me to complete my anatomical studies and valuable suggestions to carryout my dissertation work.

I like to thank Dr. Anbu, Dr. K.H.F. Nazeer Ahamed, for their valuable suggestions, support in carry out my dissertation work.

I am thankful to Dr. Somasundaram, Dr. Senthilnathan, Dr. Malar Kodi Velraj, who were the source of continuous inspiration, encouragement and help rendered to me.

I would like to thank all teaching staffs of Department of Pharmacology, Pharmaceutical chemistry, Pharmaceutical analysis, Pharmaceutics and pharmaceutical biotechnology for their scholarly guidance and constant encouragement for carrying out this work successfully.

I owe to my father Mr. M. Sampangi Ramulu, my mother Mrs. Lakshmi, who has stood as pillars of support in all my endeavors, whose love and care is always there with me during all my difficult times. They are the source of my inspiration always wishing the best for me from the core of their heart.

I express my hearty thanks to better half Mr. P.R. Vishnu Ram for his invaluable help and inspiration, without her completion of this project work could be very difficult.
I would like to give special thanks to my father-in-law Mr. P. Ravindarnath, my Mother-in-law Mrs. P. Vijaya Lakshmi, for his constant Devotional Inspiration and unforgettable Support during my project work.

At this juncture, I would like to express my deep sense of gratitude to my beloved Mother Mrs. Kowsalya Sampath Kumar, beloved sister Mrs. Janani, Mr. Varun for their unforgettable help and encouragement.

I would like to give special thanks to my friend Mr. Durai Shankar, for his tireless support to carryout my dissertation work.

I would also like to place on record my deepest gratitude to non-teaching staffs of various departments of Vel’s college of pharmacy who rendered immense help during my project work.

I Commend on behalf of humanity to those rats that gave their supreme sacrifice for the palliation of human sufferings.

Last but not the least, I express my sincere thanks to one and all and also to those whom I might have missed to mention, who gave constant encouragement and help throughout my educational career.

Thank you One and All.

Dr. M.S. SHREE DEVI
