ACKNOWLEDGMENT

I am extremely thankful to my teacher and supervisor, Dr. Mohd. Noor Nabi, Department of Philosophy, Aligarh Muslim University, Aligarh, for his kind and instructive guidance. His deep interest has always been a great incentive for me to complete this research project.

I am also highly grateful to my teacher, Prof. Z.A. Siddiqi, Head of the Department of Philosophy, Aligarh Muslim University, Aligarh for his sincere advice and encouragement that he gave me so generously from time to time during the course of my research.

My thanks are also due to my cousin, Mr. Mohammad Nasir, who was kind enough to go through the manuscript and make some valuable suggestions, and to the University Grants Commission, Government of India, as well for the Research Scholarship which it awarded to me for carrying out this project.
