ACKNOWLEDGEMENT

This research work materialized due to the patience, constant monitoring and critical examination by Prof. H.N. Pandey, my supervisor, owing to his keen interest in the field of plant diversity and regeneration ecology of tree species, which will always be cherished with gratitude and fondness in my memory for days to come. His untiring enthusiasm and commitment to the field of forest ecology is commendable.

To Prof. R.S. Tripathi FNA, I owe him for his constant encouragement, valuable suggestions and help in many ways till the end of the study.

My senior lab mates Dr. Babu John, Dr. S. Dasgupta and Dr. Alemmeren Jamir were always there to rely on in times of need; I acknowledge their help and encouragement.

My sincere thanks goes to Prof. R.R. Mishra and Prof. H.N. Pandey, former Heads of Botany Department and Prof. A.K. Mishra, Head of Botany Department for providing laboratory facilities during the study.

My sincere thanks go to the faculty members of Botany Department for their cooperation and encouragement.

Dr. M. Sanjappa, Director, Botanical Survey of India, Kolkata – 1, gave kind permission to continue with the research work for which I thank him sincerely.

I thank Dr. (Mrs.) S. Phukan, Deputy Director, and my senior colleagues, Dr. A.A. Mao, Dr. B.K. Sinha and Mr. S.L. Abbas of Botanical Survey of India, Shillong for their cooperation during the writing of the thesis.

My friend Late Miss. Pearline constantly pushed me to put my best in the work. I thank her sincerely.

Dr. Krishna Upadhya was with me through thick and thin and without whose help this work would not have seen the light of day, I am grateful to him.

The help rendered by my lab mates Dr. Pynsakkhiat Law, Dr. O.P. Tripathi, Mr. Amit Biswas, Kanhaya Lal Chaudhury, John Lakadong Ms. Swapna Prabhu, V. Ralte, Bishwarupa Ghosh, Shairi Nongbri and Jenpuiru Kamei are acknowledged with thanks.

The patience and support in whatever way possible by my parents, brothers and sisters are gratefully acknowledged.

My heartfelt thanks goes to all my friends and well wishers for their prayers and support.

I thank Mr. S. Kumar (Photographer), Bah Modin Kharbuli (Driver) and all the staff of Botany Department for their cooperation during the study.

Above all, I thank Almighty God for His grace, love and wisdom and giving me the strength to complete the thesis.

Shillong 1st November 2004.
