ACKNOWLEDGEMENTS

I express my deep sense of gratitude to my supervisor Dr. G.D. Sharma, M.Sc, Ph.D. F.B.S., F.N.R.S, Reader, Department of Botany, School of Life Sciences, North-Eastern Hill University, Shillong for his esteemed supervision, constant encouragement and invaluable suggestion throughout the period of the present study.

I am very much grateful to Prof. R.R. Mishra, F.N.A.Sc., F.N.I.E., Department of Botany, NEHU, Shillong for his great help, valuable suggestions and continued keen interest during the course of the present research.

I would like to express my thanks for the generous co-operation extended to me by the authorities of the University, the Head of the Department of Botany, Prof. P. Tandon, the Dean of the School of Life Sciences, Prof. R.S. Tripathi and other faculty members for allowing me to make use of all the available facilities during my research work.

My sincere gratitude also goes to Prof. K.S. Bilgrami and Prof. T. Prasad, Department of Botany, Bhagalpur University, who have provided useful suggestions and help from time to time.

I am thankful to Miss. Angel Narbaniang, Principal, Lady Keane College, Dr (Mrs). N.D. Bordoloi, Dr (Mrs). B. Changkakoti, Mr. B.C. Paul, Mr. A. Chanda, Mrs. P. Marak, Dr (Miss). R. Syntem and my other colleagues of the college for their generous help in many ways.

I am very grateful to Dr. A. Das, Department of Genetics, Veterinary College, Khanapara, Gauhati for providing necessary facilities and valuable suggestions rendered during the course of investigations.
