ACKNOWLEDGEMENT

First and foremost, I would like to express my sincere gratitude towards my supervisor Prof. Suman Kumaria for her valuable guidance throughout my Ph.D. programme. Her continuous support, encouragement and motivation have been the source of inspiration which enabled me to complete my thesis.

I would also like to express my deepest gratitude towards my joint supervisors Prof. Pramod Tandon and Prof. S. Rama Rao of Department of Biotechnology & Bioinformatics, for their invaluable suggestions and encouragement all throughout. My sincere appreciation also goes to Dr. Meera Chettri Das for her constant support and help.

I would sincerely like to thank Prof. N. Venugopal, the present Head of Department, Botany, North-Eastern Hill University, Shillong and Prof. M. S. Dkhar, former HOD, for providing me with the necessary facilities for accomplishing my work. I am also grateful to all the teaching and non-teaching staff of the department for extending their kind help.

My sincere thanks go to Bah Stad, (L) Ibadi, Sudiptada, Suberna, Jeremy, Shrawan, Viki and Aselei for their suggestions and help. I am extremely grateful to all my labmates Sumi, Paromik, Shivei, Kiran, Padma, Ladap, Sangeeta, Surenk, Biswajit, Reema, Mark, Swagata, Jean and Ferdinand for their kind co-operation and support. I am also thankful to Nirmal, Bahdeng, Dinesh, Didi and Rajiv for their help.
My heartfelt gratitude goes to Boni, Jogesh, Khedarani, Manorama, Merita, Sharmila, Sudeep, Thoinganbi and Tina for their everlasting support and constructive criticisms all through these years.

I am highly indebted to my loving family, my mom, sister and brother for their endless support, encouragement and especially for their faith in me. I am also very much grateful to my uncle and his family for being there for me always.

I sincerely acknowledge the financial support provided by Department of Biotechnology, Government of India through a research project sanctioned to Prof. Pramod Tandon and also through BiotechHub programme wherein I am presently working as a JRF.

Last but not the least, I take this great opportunity to thank the Almighty for giving me the strength and courage to overcome the challenges all along the way.
