ACKNOWLEDGMENTS.

I express my deep sense of gratitude to Professor Nawab H. Khan and Dr. M.G. Jetwani for their valuable guidance, helpful suggestions and constructive criticism throughout the course of present investigations. Their whole-hearted cooperation was a source of constant encouragement in the finalization of this thesis.

I am grateful to Dr. H.K. Jain, Director, Indian Agricultural Research Institute, New Delhi; Dr. N.A. Agarwal, Head and Dr. K.N. Mehrotra, Professor, Division of Entomology, Indian Agricultural Research Institute, New Delhi and Dr. S.M. Alam, Head, Department of Zoology, Aligarh Muslim University, Aligarh for providing necessary facilities.

I express my thanks to Dr. K.N. Agarwal for extending all possible help in statistical analysis of the data.

Thanks are also due to Dr. G.C. Sharma and my colleagues, Drs. T.R. Sukhani, K.P. Srivastava, R.P. Singh and Shri K.K. Verma, Avinash Chander, Uday Singh and Mrs. Shashi Juneja of Zoological Section for their cooperation.

I am extremely indebted to my father Shri G.K. Gupta (Retd. Engineer), brothers Shri Anand Kishore, Viney Kishore and Nikhil Kishore and Ravindra Kumar Varshney, brother-in-law, for assisting me in preparation of sketches, taking photographs and correcting typed manuscript.

I sincerely thank my wife Mrs. Vimal Gupta for providing inspiration and encouragement for this research work. My special thanks are also due to Mrs. S.P. Gupta, mother, Km. Manju Gupta, Mrs. Kusum Gupta and Mrs. Asha Gupta for their cooperation and help.

Lastly I am grateful to the Vice-Chancellor, Aligarh Muslim University, Aligarh, for admitting me as non-resident student.

(Prem Kishore)
