ACKNOWLEDGMENTS

The author wishes to express her sincerest gratitude and appreciation to Dr. Ather H. Siddiqi for his help and guidance during the progress of research, without which this work would have never come to light.

Special thanks are due to the late Professor M. A. Basir and to Dr. S. Mashhood Alam, Head, Department of Zoology for their help and suggestions and also for providing the necessary laboratory facilities.

The author is highly thankful to the Council of Scientific and Industrial Research, New Delhi for the award of a fellowship which enabled her to pursue the present research work.
