ACKNOWLEDGEMENTS

No words can express the depth of my sense of gratitude for Prof. Mahdi Hasan, Professor of Anatomy, Jawaharlal Nehru Medical College, Aligarh Muslim University, Aligarh, who provided necessary facilities, guidance, encouragements, healthy criticism and untiring help throughout the work.

Dr. Nafees Ahmad, Reader, Institute of Ophthalmology for registration, guidance and encouragements during this study.

Prof. W. Rehman, Head, Department of Chemistry, for providing necessary facilities and registration.

I am thankful to the members of Brain Research Center, M/s. Fatehyab Ali, Fakhrul Islam, Saleem Raider and Miss Tayyaba Khatoon, for their day to day suggestions, cooperation and help. M/s. Shafiq-ur-Rehman and Khushbar Abbas Rizvi deserves special mention for their help in drawing the diagrams and proof reading.

Mr. Jameel Ahmad, Senior Technical Assistant, Mr. Moinuddin Siddiqui and Mr. Wasimul Hasanad, Technical Assistants, Department of Surgery and Mr. Shaukat Ali, Technical Assistant, Department of Anatomy for their cooperation and assistance.

Indian Council of Medical Research for providing necessary funds for this project.
