Acknowledgements

Above all, I am indebted to the grace of “One Universal Being” who inspires the entire humanity towards truth and knowledge.

I feel profound elation in expressing my deep sense of gratitude to my supervisors, Dr. Afaq Ahmad and Dr. Faiz Mohammad for their valuable guidance, unflagging interest and unflinching support throughout the course of this investigation and in shaping this thesis.

I am extremely thankful to Prof. Kabir-ud-din, Chairman, Department of Chemistry, for his constant encouragement. The laboratory facilities and encouragement extended by former Chairmen of the Department of Chemistry, Prof. M.A. Beg, Prof. A.A. Khan and Prof. N. Islam, is also thankfully acknowledged.

I am thankful to Prof. R.J. Singh and Dr. M. Ikram, Department of Physics, for providing ESR facilities. Thanks are also due to Prof. K.M. Shamsuddin, former Chairman, Department of Applied Chemistry, and RSIC, Nagpur, for providing facilities for material characterization. Timely help rendered by Prof. P.M. Shafi and Dr. M.M. Musthafa is thankfully acknowledged.

I am especially thankful to Dr. P. Muhammad, Principal, Unity Women’s College, Manjeri and Dr. Pakrutty, the former Principal for their encouragement and for granting me leave for the completion of this work.

Constant encouragement by Dr. Suhail Sabir and Dr. Rafiuddin is gratefully acknowledged. The help rendered by Dr. Sreejith M. Nair, Dr. Noushad Ali P.M., Dr. Mujeeb V.P., Mr. Sajid M.B., Dr. Amir Al-Ahmed, Mr. S. Mustafa Kausar, Mr. Kunhalavi, Mr. Inamuddin, Ms. Pooja, Ms. Sarita, Mr. Rasheeduddin and all other friends is thankfully acknowledged. Thanks are also due to my departmental colleagues Dr. Basheer and Ms. Jyothi for their kind corporation.

I feel deeply obliged to my Wappa, Umma, Annan, Ashath, Mukhtar, Aji, Kochuwappa, Koyakkaka, Myni, (Late) Wappappa and Meera Kochuwappa and all other family members for their love, support and encouragement in multifarious ways throughout my academic pursuits. Constant motivation rendered by Riyas V.P. and cooperation from my in-laws are gratefully acknowledged.

The love and affection, patience and constant inspiration extended by Shinu throughout the course of this work is specially acknowledged. Special thanks to my little daughter, Aesha, who is eagerly waiting for the completion of the work.

Yahya A.I.
