Acknowledgement

It is a pleasure to record my gratitude to:

Dr. S. Husain Zaheer under whose able supervision and guidance this work was carried out.

Dr. G.S. Sidhu and Shri Bharat Bhushan for valuable suggestions, discussions and constant help during the course of this work.

The authorities of the Aligarh Muslim University, in particular to Professor M.O. Farooq and Professor A.R. Kidwai for permission to carry out this work at the Regional Research Laboratory, Hyderabad.

Heads of Departments of Chemistry and Physics of Osmania University, Hyderabad (in particular to Dr. K. Ramiah of the Chemistry Department) and to Riker Laboratories, Northridge, California (U.S.A.) for the recording of infrared spectra.

Various colleagues for their help in microanalyses, and in preparation of drawings and photographs for this thesis.

The Council of Scientific and Industrial Research, New Delhi for the award of Junior Research Fellowship during the tenure of which most of this work was completed.
