Acknowledgement

In the praise of ALMIGHTY ALLAH who bestowed on me the divine guidance to embark upon this task of keeping realms of facts and events. He has taken me smoothly out of the most trying situations, and I have never ever felt abandoned by His Grace. I pray to him to keep it the same way for me in this life and the life beyond.

It is my great pleasure and honour to express my sincere and heartfelt to my respected supervisor Prof. Mohd. Farooq Azam (Ex-vice President, Nematological Society of India), Deptt. of Botany, Aligarh Muslim University, Aligarh for his support, expert guidance, encouragement and suggestions during my research work.

I am also thankful to Prof. Arif Inam, Chairman, Deptt. of Botany, for the provision of necessary facilities. Thanks in this regard are also due to Late Prof. M. Wajid Khan and Late Prof. Z. A. Siddiqui.

I wish to extend my heartiest thanks and gratitude to Dr. Tabreiz Ahmad Khan and to all teachers of Deptt. of Botany, Aligarh Muslim University, Aligarh for their suggestions and encouragement throughout my Ph.D. Thesis.

I am also thankful to my bosom friends Mr. Prahlad Sahani and Shabana. I am also thankful to my colleague, Mr. K. Suraj Singh, Dr. Kashif Hussain, Dr. Mohd. Faisal, M. Sayeed Akhtar, Rais A. Khan,
Dr. Naser Aziz and A. Moheman for their valuable cooperation and encouragements.

Last but not least, I pay tribute to my beloved father (Late Md. Yashin Ansari) for his dedication, forbearance, encouragement and blessings which have been a source of inspiration and enable me to accomplish this task, brothers sisters especially my loving sister Aj boon Nisha for their moral support, cooperation and sacrificial devotion towards my studies and attaining this goal.
