ACKNOWLEDGEMENT

Praise be to ALLAH, the Lord of the worlds, Who says in His Glorious book, “Iqra! (or Read!) in the name of thy Lord and Cherisher, Who has created (all that exists), Who has taught (the use of) the pen.” And peace and blessing of ALLAH (SWT) be upon the noblest of the Prophets and Messengers, our beloved Prophet Muhammed (SAW) who said, “Seek knowledge from cradle to grave.” I praise You ALLAH (SWT) for everything You bestowed upon me, especially for Your favour in completing this work.

I take this opportunity to record my gratitude to my supervisor Prof. K. S. Siddiqi, department of chemistry, Aligarh Muslim University, Aligarh for his invaluable help and guidance. His continued encouragement helped me complete this work. I must mention his simplicity, consistency, faith in hard work and nonchalance towards megalomania that inspired me the most.

It’s my proud privilege to thank Prof. M. Mushfiq, Prof. M. Shakir and Dr. Lutfullah for stimulating discussions and important suggestions.

My thanks are due to Prof. A. Marzotto (Department of Chemical Sciences, University of Padova, Italy), Dr. D. Rabinovich (Department of Chemistry, UNCC, North Carolina) and Dr. B. L. Westcott (Department of Chemistry, CCSU, New Britain) for providing the X-ray Crystal facility.

Prof. J. Casabo (Department de Quimica, Universitat Autonoma de Barcelona, Spain), Prof. Kamaluddin (Department of Chemistry, IIT Roorkee, India), Dr. Yonas Chebude (Department of Chemistry, Addis Ababa University, Ethiopia), Dr. N. H. Khan (CSMCRI, Bhavnagar, Gujrat, India) and Dr. M. Y. Siddiqi (Research Center, College of Sciences, King Saud University, KSA.) are thanked for their help.

I would like to offer my sincere thanks to all my friends particularly Dr. Md. Nasrul Hoda (Neurotoxicology Laboratory, Department of Medical
Elementology and Toxicology, Faculty of Science, Hamdard University, New Delhi) and Dr. Humaira Parveen (Department of Chemistry, Jamia Millia Islamia, New Delhi) for their constant help and moral support despite their preoccupation.

The Chairman, Department of Chemistry, Aligarh Muslim University is thanked for providing research facilities. Thanks are due to U.G.C., New Delhi, India and C.S.I.R., New Delhi, for financial assistance.

I am indebted to my research colleagues particularly Mr. Mahboob Alam, Mr. Ahmad Umar, Dr. M. Qamar and benign support of Ms. Sadaf Khan.

Finally, I appreciate the constant encouragement and ethical support from my Mamma. I shall ever be indebted to my parents, sisters, aunties and uncle especially Mr. Mukhtar Alam, who always stood behind me with love and affection.

(Shahab Ali Asghar Nami)
